Gotcha!

Gotcha was devised to get pictures of Marshall students that they wanted taken. We also wanted pictures that would grab your attention and, as you see, these are not your normal, everyday, run of the mill pictures. If you wonder how much of a blast Gotcha was, look at this guy in the corner- A picture is worth a thousand words.

The sophomores were cheerfully greeted with a "Howdy Assembly" given by the Leadership Class. Here they were welcomed and advised to join clubs and organizations available to them. There was also a performance put on by the Drill-Team, the Cheerleaders, the Majorettes, and the Leadership Class.

Trick Or Treat

Marshall's dress-up week was a big event this year. Everyone got into the spirit and dressed up. We had clowns, maids, mouses, cats, crayons, and even a drunk walking around campus. This was not an unusual week. The contest was held on the mound and prizes were awarded to the scariest, the funniest, and the most original costumes.

Hollywood Shorties Vs. Faculty

An amusing event this year was a basketball game between the faculty and the "Hollywood Shorties". Not only were the shorties quick, but they were also a little hard to see. The bouncing of the ball by them, was also admirable. It came only a couple of feet above the ground. Both the faculty and the shorties played well and kept their fans cheering and entertained throughout the entire game.

Where's the ball?!

Don't underestimate me Mr. Camel

Lookout. I'm coming through.

I'm too quick for you.

A Pep-Rally was held for the "Varsity" and "B" teams. The crowd was very enthusiastic with both teams, but especially with the "Varsity" team, who was thought to have a chance at winning 2A City champs. Both teams were given much support and faith.

Sr. Holiday Dance

The traditional Senior Holiday Dance was held this year on December 17, 1982 in the girls' gym. The court consisted of a King and Queen, and three princes and princesses. Tiffany Tom and Steve Arcos were crowned King and Queen. Howard Mack and Susie Kim, Joe Zimmerman and Jana Andaya, and Victor Perez and Diana Sandoval were proclaimed Princes and Princesses

Senior Get-Together

The Senior Surprise was held in the gym this year because of bad weather. We did not have a D.J. or band, but we did have a radio. Their were also games planned, but they never took place due to a shortage of time. Albeit we had a good time — at least we got out of fourth period.

Senior Week

Every year the leadership class sponsors a week filled with activities for the seniors. Many seniors get into the spirit and join the fun. Some of the activities were a pig eating contest, a balloon type of race, a sack race and for the finale a pyramid.

Now that's what I call "Down Under".

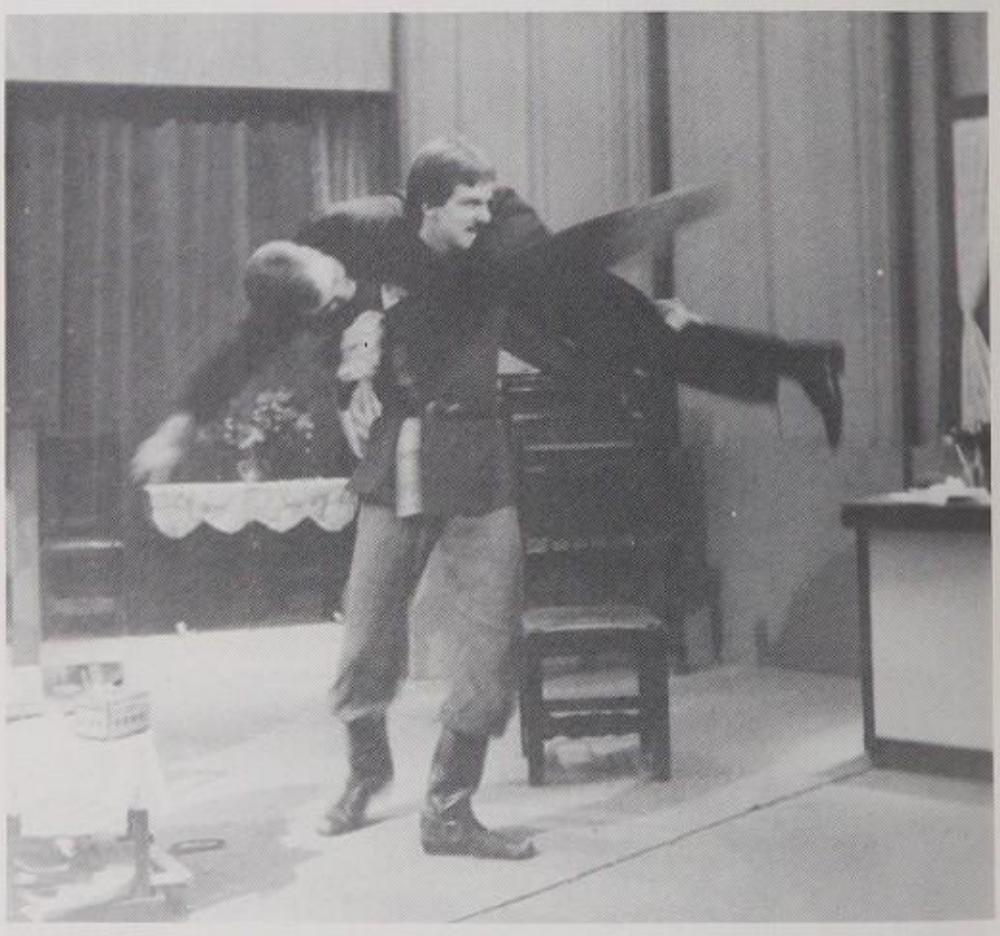
"You Can't Take It With You."

"You Can't take It With You" is a timeless play about people who enjoy life to its fullest — writing plays, making candy, learning ballet, printing menus, throwing darts, falling in love, and eating corn flakes for supper.

Grandpa Vanderhof's (G. Winesburg) family consisted of Madeline Hymain/ Dawn Dalton, Ethel Carane/ Shannon Mc Clatchey, Greg Downer/ Cris Collins, Andy White/ Robert Shapiro, and Susan Campbell.

"But I was planning such a nice party . . . tomorrow."

"All right, I said to him, you can take your old job . . ."



"You would make a great wrestler, look."

"Come on every body; Dinner is ready."

These are two very popular "Rock-bands" here at Marshall High. In order to keep student's entertained the leadership class plans activities during lunch. Of these many activities planned were the two bands. Overwhelming students rushed to the oral/arts room to attend these concert-like performances.

A Special On Lips

This years kissing booth turned out to be a great success. A crowd of people came to see and try out the lips on sale. Each kiss was sold for one 25¢. It was an experience not to be forgotten. Talk about a dream come true!

February 14th, A Day For Love

"Boogie all night"

The sweethearts dance was held in the girls' gym on February 11. This was a day for couples to forgive and forget and be happy. Many of Marshall's sweethearts attended this dance. Everyone danced to the sounds of Hi-Infidelity which made the dance successful.

TA Choir And Orchestra Bring Down House At Winter Concert

The winter concert was held on January 21. It was attended by many students and faculty members. The Theatre Arts Choir put on a great performance and kept the audience entertained between the orchestra and band performances. The orchestra performed Tchaikovsk's Symphony Number 4, Beethoven's Egmont Overture and Shubert's Symphony Number 8. The Theatre Arts Choir performed selections from Carousel, A Chorus Line, Man of La Mancha, Cats and South Pacific. Alumn's David Artadi directed the choir. As the grand finale, the orchestra and Theatre Arts Choir jointly performed Earth, Wind and Fire's "Fantasy".

Ho-Ho Time

Once again it was time for Christmas vacation. But before Marshall students took-off to start their holiday they celebrated their time, away from school, at the Holiday Fair. Many clubs set up in their own special place and tried to raise money. This made everyone get-off to a great start before their vacation.

Toilette-Paper Relay

This game was held on the mound and turned out to be a lot of fun. Toilette paper was flying left and right, and the contestants were wrapped in it half the time. The enthusiasm was tremendous.

Where is it?

Not So Newly-Wed Game

The not so newly-wed game was held for the first time, this year. Couple's competed with each other, the object was to determine which couple new the most about each other. The questions asked were sometimes embarassing but nevertheless hilarious. Manita Aralar and Ross were the winning couple.

Alive & Kicking

This year's New Wave Dance was the place to be that Friday night. It was held in the girls' gym. Jet-the-Fish was the special disc-jockey; he played the popular new-wave songs and kept his fans dancing and entertained throughout the night.

Ice-Cream Time

Many students volunteered to get their faces full of ice-cream at the ice-cream pig-out contest. It was an ice-bound event. By the looks of this contest, these people really know how to make "pigs" of themselves!

Hey, that wasn't fair!

Go!!!

Godspell

In March of '83 Marshalls Theatre Arts department presented six sold-out performances of Stephen Schartz's "Godspell", a musical based on the godspell according to St. Mathew. Leading the cast, as Andrew White, who portrayed Jesus. This exuberant musical was directed by Gerald Winesberg. David Garcia Artadi (S '82) was musical director, conductor and pianist. Choreography was by Heather Toma (S '84) and Ixchel Levin (S '85). Every performance recieved a standing ovation.

Rock-Out

The band Intensia consisting of Daniel Sharlman, Josh Segal, Paul Goldowitz, Christian Nakata and Carson Sipes, really livened up things during lunch here at Marshall. Amongst many of the songs played were, The Introduction, She's not Home, Flight of the Segal, Maryanne and No-Shirt.

Girls Grab Your Partner!!!

The traditional Sadie-Hawkins Dance was held in March this year. Every cowgirl rounded-up her cowboy and dosied on down to the dance, where they met their western friends and together had a great time. Eruption played the music of the 80's that night.

Worldwide Fashion Exhibit

The Hands Across Campus Club held a fashion show this year. The different state representatives all modeled typical outfits of their country and performed something which was unique compared to the other states. All of the costumes were lovely and gracefully worn.

"We've Got Tonight"

Avant Garde

The Senior Prom is a special night for the graduating class. "Avant Garde", the Class of '83, held their prom May 7 at the beautiful and reflective Westin-Bonaventure. This year's theme was "We've Got Tonight" and the ballroom was beautifully peopled by the gowned and tuxedoed class of '83.

The crowd enthusiastically greeted Champaign and the band performed quite well. During the intermissions, DJ Don Teggler entertained the group. People were dancing till midnight to the wonderful sounds of these groups.

This year's Prom Queen and King were Debra Gomes and Eduardo Perez. Their court members were Debbie Cohan, Caryn Tong, Cathy Kwong, Shien Hayashida, Victor Perez, Howard Mack, Anthony Tam and Martin Caballero. Congratulations on your appointment.

California Academic Decathalon

The California Academic Decathalon is a ten-event contest; however, CAD is an academic contest rather than an athletic one. These eight outstanding students representing Marshall in the competition among other school concerning academic subjects. It takes a lot of work, determination, and time to prepare for this contest, therefore these remarkable students should deserve a great round of appauses for their good effort.

Boys & Girls State

Every year, the American Legion sponsors these two separate week-long simulations of state government on the Cal State Sacramento campus. The participants are high school juniors who have demonstrated academic excellence and leadership capabilities. The students live on the campus for one full week at the expense of the American Legion. Two boys and one girl are selected from Marshall each year.

NMSQT Scholarship Finalists

National Merit Finalists are people who have worked hard to achieve a high social and intellectual standing among their peers. Chosen by the National Merit Board, they represent the top half of one percent among the nation's high school students because of their high PSAT scores and their excellent social characteristics. These finalists also show a diversity of interests, such as drama, music, and athletics. Becoming a finalist reflects well on the school as well as on themselves. Marshall high school is very proud of these young scholars.

Tiffany Tom is a highly academic minded student. She has participated in the Academic Decathalon, she is one of Marshall's four NMSQT finalists, she was honored with a certificate from the Bank of America Awards committee and she is a life member of the California Scholarship Federation.

Bank Of America Certificate And Plaque Winners

The Bank of America's Achievement Awards are considered one of the most challenging and most comprehensive award in the nation. It is also very highly respected, therefore all of these outstanding students should gain special recognition for their participation. Each student were selected very carefully by their demonstration of excellence in a specific academic field, by faculty committees for that certain catagory. These students were awarded "Plaques Winner," which were for the highly commendable students showing remarkable records of performance in a more broad and generalized field. Again, we just want to commemorate these truly remarkable students on their excellent achievements!

Marshall Takes 2A City Championship

The John Marshall Varsity Football Team is extremely proud to have won the school's first recognized city football championship in its 52 years of existance. The Barrister's "Cinderella" season was long and arduous but also enjoyable, exciting and, most of all, memorable. The team earned the respect of everyone by what they accomplished in the city playoffs and takes great satisfaction in this momentous achievement.

Marshall qualified for the playoffs by placing third in the Northeastern League with a record of 4 wins and 3 losses and an overall season record of 5 wins and 4 losses. In the playoffs, Marshall surprised the critics by beating Sylmar. With 51 seconds left in the game and the score 14-7 in Marshall's favor, the defense stiffened and stopped the Spartans inside the 5 yard line for four downs. Stellar defensive efforts were exhibited by John Crosby and Mark Flores.

Next came Franklin, the undefeated Northeast Champions, who had previously humbled the Barristers by a score of 34-0. Marshall scored on a play called "Z boot" with 17 seconds left in the game and the score tied at 14. Quarterback Steve Arcos faked a reverse and hit wide receiver Karl Kniseley with a forty yard missle. Kniseley eluded two Panthers on the thirteen and drove in for 6 from the two yard line. The Franklin followers were in a state of shock; the Barrister fans were ecstatic. Once again the "Cinderella team" had accomplished the unbelievable and beat the undefeated Franklin Panthers 20-14. The defense led by Angus Ferguson, Anthony Guidry, Eddie Munoz and Sam Martin was spectacular. The offense, led by Arcos and sophomore sensation running back Gene Harlin, was magnificent.

City finalists at last!! The championship game pitted the 1981 2A City Champions, the Garfield Bulldogs, against the underdog Marshall Barristers. Five weeks earlier, the Barristers lost an exciting game to the Bulldogs by a score of 32-20. The big game was to be contest at Moishe Stadium in Glendale on Thursday night, December 16. The score at the half for this historic game was a "hard fought" 0-0. The great Bulldog running tandem of Solario and Williams was held to 33 yards and 13 carries. Garfield opened up the second half with a 66 yard touchdown pass from Pimental to Ayala. The Barristers countered with a drive of 62 yards and culminating with a 5 yard scoring pass from Arcos to Rick Van Cleemput. The extra point by Louie Torres tied the score at 7. Early in the fourth quarter, Garfield's Williams fumbled and Marshall recovered on the Bulldog's 12 yard line. Harlin carried it in for 6 points and Torres converted the extra point and made it 14-7. Garfield answered with William's 73 burst to pay dirt. With 9 minutes to go, Garfield opted to go for 2 points. The Bulldog runner, Solario, was halted in the backfield by Dana Menck. This left the Bulldogs a point shy, 14-13. In their final three possessions, the Bulldogs fumbled, failed on a fourth and one effort, and were intercepted on the one by Martin. The game ended with the ball 3 inches from the goal line and with the Marshall Barristers victorious in the great football game of their two score and twelve history.

Players from the 2A City Champions of 1982 gaining post season honors are Captain Angus Ferguson, 2nd team all city defensive tackle; John Crosby, 2nd team all city linebacker; Captain Louie Torres, 1st team Northeast running back; Eddie Munoz, 1st Team Northeast defensive end; Sam Martin, 2nd team Northeast defensive back; Dana Menck, 2nd team Northeast center and Karl Kniseley, honorable mention Northeast.

Last but not least, the Marshall Barrister's Board of Strategy Head Coach Dan Beattie and Defensive Coach Ken Gerard are to be thanked for an outstanding season.

We Are "Among Those Present"

by John Wickham

Marshall High has had a less than illustrious career when it comes to Varsity football, but the records are far from bleak. As recorded in the library of Barrister yearbooks, Marshall's Varsity team has, from season to season, won league titles or lost game after game, or, in case of the 1943 and 1983 seasons, won the City Championship title.

Our story begins in 1937. Although the Varsity team played long before this, no records in yearbooks were kept concerning the scores. The Varsity team, or "A" team, had a disappointing season, with a third place standing in the Northern league and a 3-2-0 record. Critics expected a trend to develop and proclaimed Marshall to be "the weakest team" in the league. Not liking these remarks in the least, the team won the Northwestern league title with a 5-1-1 record and made it to the All-City Playoffs, only to lose to Manual Arts.

Over the next four years, the A team could not match the efforts of the 1938 team and, as stated in the 1940 annual, "There was more action on the hill than on the field." It seems that, until 1940, there were no bleachers, only a hill of dirt for the spectators, and they were paying more attention to who was rolling down the hill than to who was catching passes on the field. But in 1940, they didn't give up hope. During 1938 and 1939, they were unable to maintain this record, but Marshall hoped to be "among those present for the 1940 season." Little did they know that the A team would be among those present only twice.

The first of these two times was in 1943. The Varsity team overcame all obstacles and made it to the city championship, winning and taking the title. However, for some reason, all championship games between 1938 and 1947 were not counted and Marshall received no formal or lasting recognition for their achievements.

Through the rest of the forties to the mid fifties, Marshall's team suffered many defeats and disappointing seasons. Highlights during this time were few and far between. In 1948, a scoreboard was installed and in 1949, the first night games were held. The Varsity team won the Sportsmanship Trophy in 1951. To describe the pits to which the team had descended, the 1954 yearbook rejoiced, "The Verdugo game was the first victory of Boyd Field in six years and our first shutout of a league foe since 46."

However, the Barristers began to build their strengths and gather momentum. In 1956, Marshall won the Western league honors. In 1959, the A team returned to Western league champ status and held the title again in 1962 when they made the playoffs, yet once again losing to Manual Arts. From 1963 to 1975, Marshall slumped into the same problems faced in the forties and fifties. In 1976, they returned to capture the Northern league title and then again slumped into the predictable winning patterns.

This brings us to 1983, the second time in fifty-two years that Marshall has won the title of City Champions and the first time they have been officially recognized as such.

Marshall has been mocked because its Varsity football team has gotten more publicity for the number of games lost, rather than the number of games won. Well, for 1983, Marshall is "among those present" and will remain to be so as long as there is a football and a group of willing players in our high school.

League Champs

In the year 1982, Marshall's Girls' Varsity Volleyball Team earned the title as EAST VALLEY LEAGUE CHAMPIONS. Marshall devastated Hollywood, Grant, and Poly. The only team that imposed a threat to Marshall was North Hollywood. In the first game Marshall won 15-7, but in the second they lost 4-15. When the third game came around, Marshall defeated No. Hollywood 15-0. At the end of the season, the Varsity Volleyball Team had a flawless record of 8-0 in East Valley League. In City Quarterfinals, Marshall lost a heartbreaker to defending City Champs Roosevelt High. With a number of returning Varsity and many J.V.s moving up, Marshall's chances to regain the league championship are very good. The team was coached by Howard Klein and Asst. Coach Vincent Jung.

Bump, Set, Spike

The 1982 J.V. Volleyball Team, under the instruction of Howard Klein and Asst. Coach Scott Wong, was a totally new team having only one returning member. The majority of the team consisted of Sophomores and Juniors who had not competed before, but they performed with great determination and speed. In their last season game of the year, Marshall played Poly High. The team concluded the year right with a crushing victory over Poly High, just missing a chance to play in City Quarte finals. The Co-captains were Terrie Dote and Elizabeth Aguilar.

The Varsity basketball team has had another successful season winning a third straight league championship. As a result of the tremendous winning record of the two previous seasons, the Barristers were moved to the new East Valley League. This move marked the first time in the school's history that the basketball team has not participated in the traditional Northern League.

Marshall was led this season by Martin Caballero (All-League, second team) and Martin Olivares (Honorable Mention) at guard, along with front line players Daniel Liese (All-League, first team), Otis Hopkins (All-League, first team), and Michael Cota. Caballero did a tremendous job leading the team in assists with nine per game, along with controlling the tempo of the game. One of the best defensive players on the team this year was Caballero's counter part at the other guard position, Martin Olivares. Olivares usually had the honor of guarding the opposing team's best player. Inside Marshall relied on Michael Cota, Daniel Liese, and Otis Hopkins. Daniel and Otis led the team in scoring, whereas Michael pulled down many key rebounds.

The non-starters also played an important roll in this year's 18-5 overall record. George Johnson was third forward and grabbed some boards which helped Marshall win a key game by the score of 67-64 over Van Nuys in the fourth league game. Sophomores Jimmy Rudy and Richard Tsuboi proved that they could play with the big guys in the second game against Van Nuys. Jimmy provided his famous "Rainbow Rudy" outside shot in which he helped this year's team to overcome Birmingham at home in the sixth league contest. Sophomore Jason Mackenzie was the first sub at the high post position this season. Jason's overall improvement made him an important sixth man toward the end of league play and in the play-offs. Also contributing to Marshall's quarter-final play-off finish was Anthony Tam, Stephan Miskjian, and Kent Kawakami who were important seniors adding needed stability and poise to an otherwise young ball club.

Marshall basketball now has won 27 of the last 30 league contests which include three consecutive league titles in two different leagues. The overall record for three years is 54-16. With returners Jason Mackenzie, George Johnson, Jimmy Rudy, and Richard Tsuboi combined with some of the very much improved JV's, the 1983-1984 Varsity Barristers should make for another exciting and successful season next year.

Usually in a space such as this, you find a picture of about fifteen people, standing in about three rows looking as though they were completely bored. So, in order to save you from looking at all these boring group pictures, we didn't use one here. Actually, we were unable to produce a picture for the JV Basketball Team by press time. We greatly apologize to those team members.

A Winning Season

The Junior Varsity basketball team did very well this year, despite the heart breaking loss to Birmingham High School by only two points in the season-opener. The loss inspired the team to play harder. Under the superb coaching of Walter Menck, the J.V. team finished off the season with a record of 8 wins and 2 losses in the league, and took second place in the East Valley 3A League.

The coach inspired the team to work harder and pushed the players to their limits, which enabled the team to play better than was thought possible. The team consisted of excellent starting players such as Jesus Villaneda, guard, who led the team in scoring, Jon Lam, guard, a top offensive threat, Brock Lumarque, forward, a solid offensive and defensive player, Sid Carthen, forward, who led the team in rebounding, and Dana Menck, center, a solif defensive player. Other team members were Eric "8-ball" Hopkins, guard, who generated good offensive play, Howard Yu, guard, a good all-round player, Ilmar Vitsut, center and forward, Mike Gerundo, center and forward, Glen Nakamaru, forward, Albert Bangle, center and forward, and Howard Tsuruda, forward. The team's overall record was 13 wins and 7 losses, which was a very successful season.

At The Whistle!

In 1982 the BEE team took on a new coach and team. The team coached by Mr. Donatella, came upon a rough season of 0-8. Having no returning members and the majority being Sophomores who could qualify only for CEEs, hampered their chances to be a threat in league. Even with their loss in size they continued to pressure their opponents with an unequaled determination. After gaining a year of experience the BEEs will surely improve and terrorize the league with their matured talent and skill. Jon Miskjian led the team in scoring with a impressive average of 12.5 points per game.

Crash The Boards!

The CEE team, under the coaching of Mr. Donatella, consisted of almost all incoming Sophomores who were put to the test of courage, determination, and strength. The absence of experienced players put the new members to the test. The obstacle did not affect their performance, for they continued to try their hardest at each tournament, regardless of the odds. The CEEs started off on the right foot with a 2-2 record in preseason play. When league competition began they came upon troubles and ended the season with a 1-7 overall record. The team showed much dedication through their exhausting workouts. With a year of experience they are sure to be in contention for league next year. Outstanding players on the team were: Kim Lee, Glen Lopez, Plilip Sesanto, Rico Valencia, and Voltaire Cadiente.

Taking It To The Hoops!

The 1982 - '83 season for the JVs wasn't as successful as the former '81 - '82 season. They were faced with majority of new players and a much tougher 3 - A league. Despite the handicap, the JV'S held their own, led by captains Sidne Omori, Terrie Dote, and Dolores Colon; their opponents had to fight for the win. Next year's team promises to be much stronger and much more successful.

Advantage Marshall

Marshall's 1983 Tennis Team is looking forward to an exciting season. So far, we have defeated Poly High School 6 to 1 and Garfield High School 7 to 0. Based on this and the improvement expected, we should have another outstanding year.

This year, we have only one returning Varsity player, Jon Kwong. We would normally be in a rebuilding year, but with a fine tenth grade group and some excellent upperclassmen coming out for the first time, we should have a competitive and outstanding season.

JV Tennis: What A Racket!

This year's inexperienced J.V. Team so far has had a successful preseason. They are lead by Frank Estrada and Pedro Del Carpio, who with their consistent ground strokes will hopefully lead them onto another League Title.

The "C" average rule has hurt the J.V. Team very much. They lost almost half of the team, thus weakening them even more. However, if the preseason is any indication of the team's quality, they should have an excellent season!

Home Run Marshall

The 1983 Varsity Baseball Team is solid throughout the line-up. We have no real weaknesses and we are looking forward to a successful season. We have thirteen outstanding players returning from the 1982 season and have a good chance at taking the League Championship. The team is led by second baseman, Moe Marroquin, left-fielder, Ernest Marin, third baseman, Todd Cataldi, and pitcher, Joe Reyna. Also, junior first baseman, Tom Hinds and senior short stop Sam Martin join junior center fielder, Martin Ortega in assuring us of having an excellent defensive team. Junior, Adrian Gonzalez and sophomore, Jimmy Rudy appear to be headed for fine seasons as pitchers.

The Varsity Softball team is part of the East Valley League. The team promotes competitive play as well as improvement in softball skills. One of the most difficult aspects of practices is learning how to work together as a team. However, with ten hours of practice a week, we intend to reach our goal, to achieve the best that we can achieve, and to celebrate a competitive season. The Varsity Softball team would also like to thank Coach Fuhrmann for her support and guidance throughout the season.

Small But Mighty!

Bee Track

The Mighty Bees like the Varsity are having an outstanding season and are also undefeated. The Bee tracksters have defeated Roosevelt 53 - 30, Bell 63 - 30 and Lincoln 79 - 22. Stellar performers on the Bee team are: Michael Montgomery - sprints and 440; Thomas Chan - sprints; Sean Garcia - hurdles; Michael Apante - long jump; Oscar Alvarado - high jump; Marcelleno Santos - pole vault, hurdles; Joey Mendez - pole vault, hurdles; Tommy Yu - sprints and distance runners Juan Escobar, Javier Navarro and Hector Padilla. Our team has the potential to be the league champions. The dual meet between local rival Belmont and the Barristers will more than likely decide the Northern League Title. The athletes on the team are working hard and have performed admirably and they should be well prepared for the title decider.

Cee Track

The strength of the Cee track team is in the 880 yard run and the mile run. After three meets, top runner in the 880 yard run is Jose Figueroa with a best time of 2:16 seconds. He is followed closely by Ronald Navarrete and Fausto Campos with identical best times of 2:17 seconds. Alberto Celis is next with a best of 2:19. Best in the mile are Jose Figueroa and Ronald Navarrete with Identical best times of 5:03 seconds, followed by Alberto Celis at 5:11 seconds.

Our top runners include Kristi Chun · Hoon, Patricia Serrano, Lourdes Moscoso, Candace Teruya, Helen Mcturnen, and Cindy Fong. Though the girls team is small, illnesses and other reasons made for a disappointing season. However, next year, with hard work and dedication, we will be certain to come back stronger than ever. Call To Order

The Fall Leadership class was truly an enthusiastic group. Led by Student Body President Cathy Kwong and our new adviser Ms. Robin Lee, the class worked diligently in settling student government affairs. Leadership displayed much spirit in creating extracurricular activities for the students. Many of the activities: rock bands, the Country Holiday Fair, many original lunchtime contest and better dances were produced because of total involvement on the part of the class. Fall Leadership introduced to Marshall the Presidents' Council and the Constitution which underwent major revisions.

In all, 1982-83 was one of the best years in Marshall's history and Fall Leadership was glad to be a part of it.

Getting Things Done . . .

The Leadership Class of Spring '83, headed by Leadership Advisor, Miss Robin Lee and Student Body President, David Takeuchi, worked hard this semester to generate school spirit and Blue Pride. Julie Haw-Student Body Vice President, Caryn Tong-Student Body Treasurer, Jenelle Yaplee-Student Body Secretary, Anita Lai-Commissioner of Activities, Matt Moneymaker-Commissioner of Social Events, Wendy Yen-Commissioner of Publicity, and Susie Kim-Commissioner of Election worked with their committees and planned several activities.

Some of the highlights of the semester were the Sweetheart's Dance, the kissing booth, the Community Appreciation Luncheon, the Sadie Hawkins Dance, Teacher Appreciation week, the New Wave Dance featuring "Rodney", and the Aloha Dance. Leadership did its best to make this year the most memorable one yet.

Student Congress

Student Congress which is made up of student representatives from each home room and headed by the Student Body Vice President, Glen Fugita, is living example of representative democracy at Marshall, with the purpose of better understanding, what the feelings of the individual students are. Student Congress serves Marshall by serving the Marshall students. Much is owed to these dedicated individuals who take their time out of 2nd period to help the student in finding out whats going on in our school and the community. Our thanks go out to these helpful souls.

HAC

Hands Across the Campus, is an organization on campus that fosters the understanding of one another. Some of the activities that we have sponsored this year are: Carnation sales, an assembly on Hanukkah, two restaurant visitations, weekly meetings, bulletin notices on different holidays, a fashion show modeling costumes from different cultures, and in-school essays. Another major activity sponsored by HAC is the sponsorship of a trip to Washington D.C., Roopal Gokal, HAC President, received the honor of representing Marshall in Washington. HAC is also a class that meets second period and is taught by HAC sponsor, Mrs. Serrano. Everyone is encouraged to attend meetings, to join the club, to join the class and to help meet the goals HAC has set out to conquer.

NFL Knows How To Collect Awards

The National Forensic League is more than just a club. It is an academically-oriented organization in which students participate in several areas of public speaking. They compete at tournaments, in debates, do service projects for such clubs as the Lions and Optimists and speak on campus for various causes. It takes a great deal of time, effort and dedication to excel in NFL, and we have a number of outstanding members. From the beginning of the NFL season, our competitors started off strongly. At the first novice and varsity tournaments, Robin Ortiz took first place in Novice Humerous Interpretation, Vince DeCenzo won first place in Varsity Humerous Interpretation. Shortly after, Jerry Appleton won first place in Dramatic Interpretation at Loyola. At the Calabases Tourny, Vince took first in Humerous Interpretation and Expository, Jerry took second in Expository and third in Dramatic interpretation, and Leah Millman took fourth in Dramatic Interpretation. Our Barristers really cleaned up at the Occidental Tourny — Vince took first in Humerous Interpretation, Jerry took first in both Dramatic Interpretation and Expository, Leah took second in Novice Dramatic Interpretation, Robin took first in Novice Humerous Interpretation, and Rosanna Javier placed third in Expository. For the State Tournament, Vince qualifies in Expository, Jerry in Dramatic Interpretation, and Andy White in Student Congress. At the District Tournament, Jerry took second in Dramatic Interpretation and Vince took first in Humerous Interpretation, entitling him to go to the National Tournament in Kansas City in June. This is just a partial list of the fine accomplishments of the National Forensic League at Marshall.

Is The Pen Mightier Than The Sword?

Hustling to get interviews, frantically getting some last minute information, scrambling for typewriters and patiently correcting stories and glueing galleys are all part of the job of a dedicated **Blue Tide** reporter and editor. This year, twenty-five freshling reporters and a few "old pros" tried their best to present a factual, informative, entertaining, quality newspaper. With the patient help and guidance of our advisor Ms. Holly Van Campen, we worked as a team to get the **Blue Tide** out. We tried in the best journalistic style to give you what you deserve, a quality newspaper, and we feel that we've succeded.

Thank yous are in order to the print shop and their advisor, Mr. Norman Rose, on whose shoulders rest the entire job of printing the galleys and the headlines, and the final product, the newspaper. We thank them for their fine service.

"Unsung Heroes"

Minute Men! These men are a part of an elite organization, which tries to help the school run a little more efficiently. The Minute Men are involved with such school events as assisting at football games, track meets, and Homecoming, along with other important tasks as packing popcorn. Each semester, the Minute Men attend breakfasts, luncheons, and banquets to honor and award these "unsung heroes" for their modesty and effort. Although they feel that they are given little recognition for their work, they still feel and know that they are the few, the proud, the MINUTE MEN!

A Glimpse At Theatre Arts

The Theatre Arts Department provides for the student the opportunity to explore the world of the performing arts. The department at JMHS is long recognized as one of the top ten theatre departments. The students receive instructions on dancing, acting and singing, as well as catching a brief glimpse of the technical work that goes on behind the scenes. The department usually boasts four productions a year; three in little theatre style, and the last, the spring musical, a main stage performance. In addition to this, the Theatre Arts class has taken the responsibility of producing a winter concert in collaboration with the orchestra. The past three years, our department has presented a fine program of choral music, thus adding further to the terrific reputation that JMHS has accumuleted over the years.

Different Strokes

Art Production is a class whose objective is to serve the school through visual works of art. Banners, posters and cases are produced to serve the needs of various school activities. Not only does our class communicate important information to the student body, but it also promotes school spirit with special messages. In Art Production, we are given responsibilities and the chance to work independently. Art Production is a class where working well with others is a prerequisite. But inspite of all of the demanding work and dedication, Art Production gives the students a feeling of self-satisfaction for a job well done.

Can't Be Beat

The 1982-83 school year proved to be the best ever in Marshall's 52 year history. The season started out differently when the usually separate Bee and Varsity squads were combined. The new squad consisted of five seniors and two juniors.

Once again, the cheerleaders attended the USA Cheerleading Camp at Santa Barbara. But this time the experience was a first for all the members. They learned a number of cheers and stunts which helped them throughout the year. In completion, the cheerleaders won the Hardest Working Squad Award and the Best Poster Award. They also received the Spirit Stick which was an honor to have.

After camp, the cheerleaders adopted the phrase "CAN'T BE BEAT" as their theme. They supported this theme when they cheered the football team to victory in the City Play-Offs and the basketball team as they took League along with the other successful sports. Throughout the seasons, the cheerleaders kept the Spirit of Marshall burning with their dedication and enthusiasm, making this year one that "CAN'T BE BEAT!"

The concept of the yearbook is fascinating. The people who take on this job have a responsibility of the highest degree: to accurately chronicle the history of a complete year. We are responsible for names, faces, places, scores, clubs, fund raisers, proper coverage, artistry (both with the pen and with the camera), instruction, promotion, and so much more it is dizzying. To produce an acceptable book is hard enough, to produce a beautifully crafted and artistically superb book is an insurmountable task. Yet, through all the work we do, our job receives very little praise, gratitude or acknowledgement. And when we take on the job of Senior Editor or editor of the index and ads, we realize our good job will go unnoticed. If, on the other hand, we do a bad job, it goes noticed. I won't go into that.

The Barrister of the year 1983 met some fantastic obtacles and its a wonder this piece of exquisite beauty is as wonderful as it is. It wouldn't be this beautiful if we hadn't had a little help. Mrs. Brazley, Mrs. Masakawa, Ms. Austen, Mr. Gordon, Mr. Preciado, Mr. Day, Mr. Turner, Miss Lucero, Mr. Fine, Ms. Hampton, and Mr. Houston all contributed in some way to the success of our book. We would also like to extend a grand round of applause to Mr. Thompson, Mrs. Lee, Ms. Van Campen, Miss Williams and many other members of the faculty for their outstanding patience with our occasional tom - foolery.

This section of our book usually tells you what changes were affected within the covers of the book. Actually, there were so many that I couldn't exactly list them, but I'll give you a few. We had a theme, "Towards A New Horizon", we added eight color pages and eight black and white pages, we used a special and very different paper stock that adds texture to the book, we used special effect photography, pages 208, 209, 278, and 279 were drawn in a manner new and innovative to Marshall yearbooks, the Academics chapter is new and will, in the future, honor those who excel academically, and, the biggest change of all, we are working with Josten's American Yearbook Company and a new set of guidelines.

We would like to thank our Josten's rep., Hap, or Happy, Zavak, a Marshall alumni, for sticking with us and not giving up on us. We also owe a debt of gratitude to Steve Dawson, John, George, Dave in the Darkroom and all the other people at Dunlap-Turney for their invaluable assistance, patience and support. We would have been lost without them.

In closing, we feel that we conquered that terrible monster that is called "The Greatest Yearbook Ever To Be Seen By Marshall Students." We certainly hope you agree. A certain theory goes that the degree of beauty of an object is magnified by the background of disgust and turmoil and vulgarity and evil upon which the object is set. If that is so, the 1983 Barrister is the most beautiful piece of art ever created by human hands.

To my Princess Pauline-Babe these last 2 years have been the best in my life I hope all our dreams come true for us in the future and may God gift us with the happiness we get from being together eternally I Love You Always Babe Love Donnie - you and I 1983.

Cin-To my no. 1 friend may our friendship last forever Luv Always-STD

To my friends: I took on too much and I know it. And I regret the strains I've placed on our relationships. Due to this I've realized the estrangements and the have hurt me deeply, I just want you to know that I value your friendships more than anything and I would have done anything to prevent the separations in our lives. I hope you will forgive me and accept my friendship, love and occasional bad stories as fully now as you did before bout with workaholism. I hope you can accept that I had to do what I did. I was unavoidable in order to save this piece of art. Love, Joe Serbia's ***very*** *close friend.*

THE FEDERATION OF HELPLESS CREEPS FHC

"That's man's one privilage over all creation. Through error you come to the truth! I am a man because I err! You never reach any truth without making fourteen mistakes and very likely a hundred and fourteen. And a fine thing, too, in its way; but we can't even make mistakes on our own account! Talk nonsense, but talk your own nonsense, and I'll kiss you for it. To go wrong in one's own way is better that to go right in someone else's. In the first case you are a man, in the second your're no better than a bird. Truth won't escape you, but life can be cramped."

Razumikin's theory on nonsense
Crime and Punishment

The FHC, Federation of Helpless Creeps, was formed but of sheer nonsense. But, as Razumikin theorizes, from nonsense comes sense. And maybe out of all our nonsense will come sense, but that is for us, and you, to decide.

We have held no activities, we have not held any meetings, we have sold no grams and we must pay to have our picture put in the yearbook. We would have it no other way. In our disorganization, a chain has developed that no other person can say that they have a link in, other that an FHC member.

I guess that we could attribute the proliferation of this nonsense to our friend Joe Serbia. His simple existance and his symbol as a human being are representative of our club and its existance.

We would also like to award a round of applause and a standing ovation to Mr. Thompson. His patience, Ben Franklin style of humor and his intense dedication to his work have helped so many understand the history he so often called bunk. Bully for you Mr. Thompson and thank you.

Acceptance

When the spent sun throws up its rays on cloud
And goes down burning into the gulf below,
No voice in nature is heard to cry aloud
At what has happened. Birds, at least, must know
It is the change to darkness in the sky.
Murmuring something quiet in her breast,
One bird begins to close a faded eye;
Or overtaken too far from his nest,
Hurrying low above the grove, some waif
Swoops just in time to his remembered tree.
At most he thinks or twitters softly, "Safe!
Now let the night be dark for all of me.
Let the night be too dark for me to see
Into the future. Let what will be, be."

-Robert Frost
